BANYAN TREE BINTAN

"The mesmerising beauty of natural scenery"

OVERVIEW

LOCATION

Nestled above a secluded bay in the northwestern tip of Bintan island, Indonesia, Banyan Tree Bintan is the epitome of tropical retreat living, offering an exclusive villa lifestyle amidst the mystic charm of its natural surroundings. Just 45 minutes from Singapore by high-speed catamaran and a 10-minute drive to the resort, the tropical scenery of Tanjong Said greets visitors upon arrival.

Bintan is the largest island in the Riau Archipelago which comprises approximately 3,000 islands stretching from the Straits of Malacca to the South China Sea.

Home to rare animals such as the silver leaf monkey and sun bird, nature lovers will enjoy trekking up the 340-metre Gunung Bintan. Explore Bintan's dense tropical rainforest and soak in the breathtaking panoramic views from the summit.

Adventure seekers can look forward to the thrill of flying in an open cockpit seaplane at the Air Adventures Flying Club Bintan.

Cruise along the Sebung River and discover the different species of mangrove trees and wild animals. At night, be amazed by the mesmerising views of twinkling stars in the dark sky while a glowing blanket of fireflies flits freely amongst the mangroves.
